

# Audit Overview

## Kitsap County Consolidated Housing Authority July 1, 1999 through June 30, 2000

### **AUDIT HISTORY**

We audit the Kitsap County Consolidated Housing Authority annually. There has been one finding in the past five audits of the Housing Authority.

### **CONCLUSIONS**

In most areas, the Housing Authority complied with state laws and regulations, its own policies and procedures, and federal grant requirements.

However, our audit did identify a condition significant enough to report as a finding. The condition is discussed in the findings section of this report. We also noted some minor issues that we communicated to management. We appreciate management's commitment to resolve the issues we identified.

We appreciate the Housing Authority's prompt attention to resolving prior audit issues and its commitment to ensure compliance with conditions reported in our audits. We thank the Housing Authority's management and personnel for their assistance and cooperation during the audit.
